\$8,700 damage in four single vehicle collisions

MINDEN - The Minden Detachment of the OPP report the following activity for the period of May 7-13, 1979. During this period the staff investigated five reportable and one non-reportable motor vehicle collisions and 70 general occurrences. There were six break-ins reported and one person was charged with a liquor violation.

At approximately 2:30 a.m. on Thursday, May 10, Harris Steele 30, of RR No. 1 Haliburton was eastbound on Highway 530 west of West Guilford, when his 1977 van entered the north ditch, rolled over and struck a guy wire on a telephone pole. Damage has been set at \$3,000 to the van and \$200 to the guy wire. Investigation by Minden OPP Constable Boyd Jarvis.

Henry Anderson, 20 of Petawawa, was southbound on County Road No. 10 near Harcourt, in his 1975 car, when it entered the east ditch rolling over and struck a

tree. Damage has been set at \$3,000 to the car. Investigation by Minden OPP Constable Jim Solway.

Heavy rain was held responsible for a single vehicle collision on Saturday evening near Gooderham.

Marion Czorhra 48, of Oshawa was eastbound on Highway 503, when her 1974 pickup truck entered the east ditch and rolled over. Heavy rain was falling at the time of the accident. Damage to the pickup was set at \$1,000 by investigating Minden OPP Constable Bob Wood.

Late Sunday afternoon a pickup truck owned by Nelson Sisson 23, of Petawawa, received \$1,500 in damage. Sisson was driving westbound on Highway 530, north of Haliburton, when the vehicle entered the south ditch striking a rock face. Investigating Minden OPP Constable Dennis Porter, charged Sisson with careless driving.

Haliburton Cty. Marksmen club news report

After a number of committee, executive and general meetings, the Haliburton County Marksmen Club is becoming a reality.

Two general meetings produced approximately eighty to one hundred potential members with quite a number of applications being received over the past several weeks.

The Council of Anson, Hindon and Minden have approved and given their consent to use the Municipal gravel pit North of the village on Bobcaygeon Road approximately two and one half miles from town.

The official opening will be held on Sunday, May 27th at 2:00 p.m. beginning with a short meeting concerning the constitution and a briefing of the range procedures and safety regulations.

Following the meeting each paid up member will receive a pass key to the locked gate, which will ensure that only authorized persons will have access to the grounds.

The membership fees are \$25.00 for an adult, \$10.00 for a junior under eighteen and \$10.00 for an associate member.

After the opening ceremonies, Reeve Sinclair Nesbitt will fire the first shot and start the beginning of the new range.

Target shooting will be the program for the day beginning with rifles, shotguns and a demonstration of

Peggy Conway - Kevin Warburton
Y.B.C.'s Most Valuable Players for 1978-79

CARNARVON - On Saturday afternoon at Carnarvon Lanes, the Youth Bowling Program held their 4th annual Luncheon and Awards Banquet. The highlight of the awards ceremonies was the presentation of the Most Valuable Player trophies to the above two outstanding bowlers for 1978-79, Peggy Conway 10 of Bracebridge and Kevin Warburton 12, of Minden. See story on Sports Page for details and all winners.

handguns.

An archery demonstration will be presented also by an affiliate of the Ontario Archery Association.

All members and potential members are requested to bring their rifles and shotguns with them and join in an afternoon of fun and entertainment.

Because the range has not, at this time, been sanctioned by the Solicitor General's Office, those who are interested in and have handguns are requested to leave their guns at home until proper permits can be

obtained to allow the carrying of the handguns.

The afternoon promises to be a very interesting one with several dignitaries to help in the opening of our new club facilities.

Bring a chair with you to relax and there is plenty of parking spaces. If per chance it is raining, the opening will be postponed until the following Sunday, June 3rd.

Nuclear waste disposal site considered for Muskoka

Although there are still many 'ifs' involved, Muskoka could become a disposal site for nuclear fuel waste sometime in the future.

A program undertaken last year by Atomic Energy of Canada Ltd. to develop and demonstrate a safe and suitable method of disposal of nuclear fuel waste involves a series of drilling experiments in rock throughout the province of Ontario.

Muskoka and Parry Sound are included in the 13 regions where research programs may be carried out to measure the properties of various rock types in order to access the feasibility of disposing of nuclear waste in a deep underground mine.

Information on the proposal to search for feasible fuel dumps was released this month in the legislature by James Auld, Minister of Energy.

A news release said the federal government, through AECL, had undertaken to develop and demonstrate a safe and suitable method of disposing of nuclear waste.

The system to be used, according to AECL officials, is to drill a number of test holes in various rock formations throughout the Canadian Shield, then to select some of these sites for additional drilling, followed by nuclear waste storage experimentation at one site.

Public information programs are to be carried out in the drilling regions which currently include Rainy

River region, Kenora region, and Leeds-Grenville-Lanark-Renfrew region. Community relations programs are to be developed in the Atikokan and White Lake areas of Northern Ontario.

Mr. Auld stressed in his speech to the legislature that Ontario has not yet approved any proposals for AECL to conduct test drilling or other field research activities in any area.

At this point AECL will then invite local communities near the 100 plutons to express whether they are interested in AECL demonstrating nuclear waste storage in their area.

This community contact will be done to select a single demonstration site, Mr. Auld said this phase is at least three or four years away.

Mr. Auld stressed that the first stage of the proposal is a public information program. Second comes approval for a community relations program in the proposed research area. Third, approval is required for field research at specific locations in the research area.

stands on the list in terms of preliminary sampling or testing of rocks. In fact, the process involved could preclude Muskoka altogether, if surveys show local rock to be unsuitable.

Mr. Auld told the legislature some 1,500 rock structures will be reviewed. These structures are called plutons. From this 1,500 in the 13 regions, eight to 10 research areas are to be drilled to identify the most suitable type of rocks.

Once suitable rock types have been identified, Mr. Auld stated, AECL will identify up to 100 plutons with comparable rock characteristics.

At this point AECL will then invite local communities near the 100 plutons to express whether they are interested in AECL demonstrating nuclear waste storage in their area.

This community contact will be done to select a single demonstration site, Mr. Auld said this phase is at least three or four years away.

Mr. Auld stressed that the first stage of the proposal is a public information program. Second comes approval for a community relations program in the proposed research area. Third, approval is required for field research at specific locations in the research

area.

Typical research activities by AECL will include collecting surface samples, examining surface features and drilling to obtain information on properties of rocks at various depths.

Mr. Auld warned that drilling should not be taken as an indication that the research area will necessarily be considered as an eventual waste repository.

Apart from the Aitkokan area, AECL has not yet identified any other research area in which it would like to do research drilling, Mr. Auld stated. He said he understood Aitkokan Municipal Council and the member of the legislature from Rainy River supported a drilling program.

Although no mention was made of Muskoka, and there is no information of when Muskoka might become a research area, the district is included in the regions to be studied in the Precambrian Shield.

An atomic energy official said last week he knows of no activity in Muskoka. He said the public generally was being informed about the program, but was only two Ontario sites were being considered currently for drilling. This work he said was only to obtain samples to study the rock characteristics.

AECL officials maintain there is no more danger to a dumping site of the kind they proposed than there is in a normal uranium deposit which was put in the ground by nature.

The nuclear fuel waste will be encased in a type of impervious glass, which has already been effectively tested in Canada. This glass would then be lowered deeply into the proposed shafts, drilled in what officials call stable rock. Officials say safety factors involve reduction of radiation to no more than that given off normally by an ore deposit. They would also guard against earthquakes and other natural phenomenon which might disturb the waste.

THE CAMPAIGN CIRCUIT

Logan is critical of degree of Federal-Provincial government cooperation in Victoria County

On Friday and Saturday of this past week-end Liberal candidate David Logan was very encouraged by the support that he received in three key areas of the riding.

On Friday evening Mr. Logan attended a dance in Sutton which was sponsored by the Georgina Township Liberal Association in favour of the Georgina Library Fund. A large number of people were in attendance to hear Mr. Logan's address.

On Saturday afternoon Mr. Logan campaigned in the north end of the riding with Mr. John Eakins, Provincial Member of Parliament for Victoria and Haliburton and Mr. David Walling. While in Haliburton these gentlemen met with a number of constituents and discussed the issues.

In the evening Mr. Logan journeyed to the other extremity of the riding where he attended a Liberal Dance at the Apsley Community Centre. This dance was attended by well over 300 people.

Mr. Logan expressed grave concern regarding the lack of government cooperation at the senior level. As evidence, he cited the economic problems associated with the closing of the Kawartha Lakes training School in Lindsay. "With one stroke of the pen upwards to 100

people are unemployed and an extremely fine facility is left dormant". Mr. Logan maintained that thought, foresight, planning, and open lines of communication between the two senior levels of government could have created a situation that would make closing much more palatable. Whereas the Conservative dominated Provincial Government closed the Kawartha Lakes Training School as a Training School there is nevertheless, no need for the facility to remain unproductive for any period of time. Mr. Logan stated "that it was his opinion that the Kawartha Lakes training School might well be considered for an Agricultural Research Station." Such a station would benefit the constituents of Victoria and Haliburton by replacing much needed employment, and in addition, Agriculture, which is one of the dominant features of Victoria and Haliburton's economic life would get a much needed boost. However, to bring an arrangement of this nature to fruition without a large hiatus in time requires initiative, cooperation, and foresight by our member of parliament. The ability to gain the ear of the people who can get things done, is also paramount. Mr. Logan was adamant that this type of job had to be done in Victoria and Haliburton's member. "Otherwise we will continue to be considered as an area that is secondary in the main stream of economic life within Ontario and Canada." Mr. Logan stressed and underlined the fact that he was committed to making Victoria and Haliburton part of the main stream of the economic life of Canada and that its citizens deserved representation that can make these things happen.

More than 80 attend Scott meeting at local motel

Progressive Conservative candidate Bill Scott told a gathering at the Wagon Wheel restaurant south of Minden Thursday night that Canada must restore capital punishment as a means of stemming the rise in capital crime.

The statement drew a spontaneous round of applause from the crowd of more than 30 people, who had gathered at the restaurant for a coffee party and informal get-together with the incumbent Victoria-Haliburton Member of Parliament, making his fourth bid for re-election.

Scott called on the public to accept "collective and personal responsibility" in supporting our police departments to curb crime in all its forms, and to work for an orderly society in which our citizens can enjoy freedom with security.

The PC candidate said that Trudeau, and his policies, such as the official languages bill, have split Canada down the middle, and that there has never been such disunity in Canada as we have today.

"I voted for the official languages bill," Scott said, "but I was sold a bill of goods."

"Most of us in the Conservative caucus in Parliament thought that spending two or three hundred million dollars was money well spent if it would improve relations between English and French Canadians."

Scott said that he and his well-thinking colleagues were deceived by the Prime Minister.

"Trudeau has used the official languages legislation to pit French against English and English against French in his despotic urge to hang onto power."

"And, in addition to the human suffering and anguish wrought by the government's language programs, it is costing the Canadian taxpayers more than 500 million dollars each year. On both accounts it adds up to needless and tragic waste," Scott said.

Scott said that we must resist any and all attempts to hyphenate Canadians and Canadianism.

"We must all insist on being looked upon as just Canadians, and we must insist on being called Canadians."

"There can only be one class of Canadian, and that must be 'first class'," Scott told his audience, "and that will be one of the goals of a Progressive Conservative government in Ottawa."

ELECT DAVID LOGAN

for VICTORIA - HALIBURTON

The 1980's will demand energetic, dedicated and strong representation. David Logan has a proven record as an elected representative for 13 years.

"I support the following proposals and pledge to work towards them on your behalf:

- to provide enthusiastic, energetic and dedicated representation to each and every individual in this large, complex and unique riding, now and in the 1980's.*
- to provide personal contact with you through the establishment of three constituency offices throughout the riding. This would provide you with information on government programs and funding available from all levels of government, federal, provincial and municipal.*
- to ensure that our health care services continue to be available to all Canadians regardless of their financial status."*

David Logan.

Experience '79 student summer employment program

Police week ends Saturday

The Victoria County Board of Education has received approval for two summer projects under the Ministry of Education summer employment program for students. A total of seven students will be employed by the Board to carry out the projects with approximately half being post-secondary students and the remainder from secondary schools.

The major project is the development and production of County guidelines and resource material kits. The Board has carried out similar projects in the past two summers in connection with the development of curriculum guidelines prepared by its various program committees. The students will be further developing the resource materials and kits prepared by the various teacher committees and will take the initial drafts of the guidelines and type and prepare sufficient quantities for all teachers in the system. They will also be gathering additional supplementary materials for the history and geography guidelines that were prepared for 1978. Two of the senior students on the project will start preparations in the latter part of June and the remainder will join the staff at the expiry of the secondary school term.

The other project approved involves two students who will work in the audio-visual centre in the Lindsay Public Library to examine existing media materials to make assessment of their usefulness and gather other materials for use as a resource in the schools. They will be updating media kits that are available in the Centre with current material and adding supplementary materials. They will also assist in the viewing of new films which will be purchased and prepare catalogue data for the new film titles.

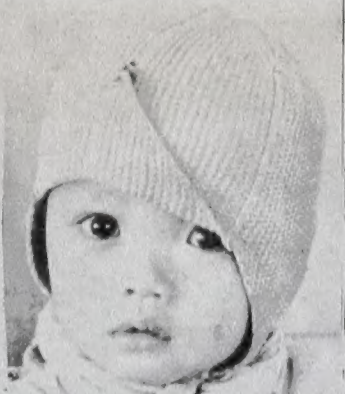

Both of these projects will be under the supervision of our audio-visual co-ordinator, Mr. Norm Lilley, with Mr. Willis Boston, one of our superintendents of schools, co-ordinating the work on the curriculum guidelines. The Ministry of Education will provide a post-secondary student who will be employed as a team leader starting in mid-May. In order to qualify for employment under these projects

students must be enrolled in post-secondary or secondary school and planning to continue their education in September. Preference will be given to students over sixteen years of age.

Students interested in working on these projects should contact the Board Office, 6 King Street, Lindsay, telephone 324-6776, or one of the secondary school offices for employment application forms.

...because every child has the right to smile

1979 International Year of the Child

The national theme for Police Week this year is: "Working Together to Prevent Crime". There are three major objectives shared by all law enforcement agencies: to keep the peace; the prevention of crime; and the detection and apprehension of criminals. Each is an integral part of the law enforcement objective, requiring a delicate balance acceptable to the social climate. Any imbalance in these goals has an immediate effect on the concerns of the police and the public.

It is imperative that the citizens we serve have a greater understanding of our role and their share of responsibility for maintaining a safe and healthy community in which to live.

To further this goal, I extend a personal invitation to everyone to visit any of our 190 detachments during Police Week.

Members of the Force will be on hand to discuss these matters in an informal atmosphere.

Long delay in firearms registration, says OPP

The two month long Firearms Amnesty Program at the end of 1978 has caused a six-month minimum delay in processing applications for restricted weapon permits.

These applications deal with three categories of guns. They are: (1) rifles or shotguns with a muzzle velocity of over 500 feet per second, a barrel length of less than 18½ inches and which use centre-fire ammunition in a semi-automatic mode. Also included are guns such as pistols designed to be fired with one hand, (2) guns that can be folded or telescoped shorter than 26 inches, (3) fully automatic weapons registered prior to Jan. 1, 1978, and forming part of a bona fide gun collection.

Chief Provincial Firearms Officer Jim Villemaire of the OPP says, "we processed 22,000 during the Amnesty, ten times the usual number. All of them going through Ottawa and with forms coming in from across the country it will take them a while to get to them all."

Maple Lake and Tuesday Mixed Combine Banquets at Club 35

MINDEN - On Saturday evening at Club 35 near Hall's Lake, the Maple Lake Mixed league and the Tuesday 9 p.m. Mixed league combined their banquets and close to 100 bowlers had a thoroughly enjoyable evening of Dinner, Awards presentations and a dance. Following a delicious Kentucky Fried Chicken dinner new executive of the Maple Lake league was elected. The 1979-80 executive will be; Garth Henderson president, Marnie Robinson, vice-president, Debbie Harding, treasurer, and Ron Robinson Sr., secretary. The Tuesday 9 p.m. Mixed league will not be bowling next season, as it is getting increasingly hard to keep the league full. Most of these bowlers who are now on the Tuesday league will be joining Maple Lake, Dorset and Ingoldsby for next season. The final awards for the Tuesday league went to the following teams and individuals; League

Champions, Hits & Misses, Runners-up, Castaways. High Average, Doug Robinson 228 (see Photo) and Lil Martin 196; High Single flat, Bob Martin 304 and Marnie Robinson 316; High Single with handicap, Cliff Burke 325 and Cindy Martin 329; High Triple flat, Ron Robinson 789 and Dorothy Anne Robinson 696; High Triple with handicap, Harold Harding 783 and Ida MacLachlan 783. Joanne Robinson received the 1000 Lakes Bowlers Association Merit Pin for her outstanding work as treasurer over the past season.

The year end awards winners in the Maple Lake league went to the following; League Champions, Ron's Roadrunners, Runner's-up, Debbie's Duds. Playoff Champions, Ron's Roadrunners and the runner's up were the Rangatang.

One of the top trophies in the Maple Lake league each year is the total-pin-fall for nine games in the playoffs. This year's winners were Marnie Robinson with 1907 and

YBC major award winners for 1978-79

CARNARVON - The following Youth Bowling boys and girls walked off with the hardware at the YBC banquet held at Carnarvon Lanes on Saturday; back row l-r, Peggy Conway, Lisa McCloskey, Shane Blakey, Cathy Darby, Kelvin Mann, Elizabeth Lambert, Joey Conway. Front row, l-r, Jimmy Masters, Robbie Boyes, Richard Beers, Jeff Stamp, Kevin Warburton, Barbara Adams and Wendy Ballantyne.

Y.B.C. hold banquet at Carnarvon Lanes

The fourth annual Youth Bowling Banquet was held on Saturday at Carnarvon Lanes, with over a hundred youngsters and parents taking part. After a delicious lunch put on by the parents the most popular part of the banquet got underway, the distribution of year-end awards. There were 70 youngsters in this year's Y.B.C. Program, as the boys and girls set seven new records, participated in seven tournaments (there are still two to go) and the competition at the league level was the keenest in the four year history.

The highlight of the afternoon was the awarding of the Most Valuable Player trophies to the top boy and girl in the Program. The two who won these beautiful trophies were Peggy Conway, 10, a bantam and Kevin Warburton, 12, a junior. These two youngsters exemplified what can be done with a little work, during the past season. Both improved their averages considerably over the past season, both bowled extremely well at all tournaments they participated in and both will be winning tournament and provincial laurels sometime in the future if they stick with their sport and keep improving at the rate they did this season. So congratulations to Peggy and Kevin on an outstanding season. Two other bowlers who gave these two a real run but unfortunately not everyone can win, were Barbara Adams a junior and Cathy Darby a senior.

The following YBC bowlers won major awards at this year's banquet: Bantam High Average, Jimmy Masters, 151; Junior High Average, Barbara Adams, 181 and Senior High Average, Cathy Darby, 200. Bantam High Single, Robbie Boyes, 230, Junior High Single, Jeff Stamp 256, and Senior High Single, Shane Blakey, 278; Bantam High Double, Richard Beers 403, Junior High Triple, Kevin Warburton, 618 and Senior High Triple, Kelvin Mann 614.

The Most Improved Bowlers during the 1978-79 season were Elizabeth Lambert, Wendy Ballantyne and Stewart Hall. The Tail End Awards this year went to Joey Conway, Lisa McCloskey and Kelvin Mann.

Program Director Cliff Burke, who is resigning after four years at this position, presented Special Appreciation awards to the following people for all the work they have done to make his job, plus the YBC Program, run just that much more smoothly; Mrs. Ruth Johnson, Mr. and Mrs. Malcolm Boyes, Mrs. Ev Stata, Mrs. Eva Sills, Mr. Gary Warburton, Mr. & Mrs. Bill Beers and Mr. Gord Overall.

Men's Commercial Hold Banquet

MINDEN - On Friday evening at Club 35, the Men's Commercial bowling league from Carnarvon held their annual year-end Dinner and Awards banquet. Although there were some absentees from the league, either attending a mixed banquet with their spouses or on fishing trips, most did attend from the league. After a very tasty dinner of Kentucky Fried Chicken, outgoing president, Reg Burk called the meeting portion of the banquet to order. He thanked his 1978-79 executive for making this past season a very competitive and well organized league and wished the new executive much the same success next season.

Nominations were then asked for from the floor for the 1979-80 executive and the following people were elected, President, Gord Darby, Ingoldsby, Vice-President, Grenville Barry, Guilford Recreation, Treasurer, Frank Dun-

ford, Ingoldsby and Secretary, Harris Steele, Peterborough Lumber.

Mr. Burk then turned the meeting over to new president Gord Darby for the distribution of the year-end awards.

The following received awards, League and Play-off champion, Peterborough Lumber, League Runners-up Modern Electric and Play-off runners-up Ingoldsby. The high average went to Ronnie Robinson Jr. 247, runner-up was Wes Stata 226, high single was Don Burch 369 and runner-up Gord Darby 359, high triple Ronnie Robinson Jr. 935 and runner-up Fred Cox 895. Most Improved Bowler was Bob Heppleston 52 pins and the runner-up was Grenville Barry 49 pins.

The executive presented the 1000 Lakes 'Merit Pin' to Ivan Clark for his fine work on last year's executive.

Minden minor hockey holds banquet

MINDEN - The annual dinner and awards banquet for the Minden Minor Hockey took place last Wednesday evening at the community centre, with more than 300 players and guests in attendance. Special guest for the banquet this year was

Gordon Innes, of Fenelon Falls, President of the Tri County Hockey Association.

President Ross Warburton opened the awards and business portion of the banquet by thanking his executive of the past year for all their help and gave

special thanks to Mrs. Ila Kellett and Leroy Nesbitt for work above and beyond the call of duty. Mrs. Kellett not only coached the Mites this past season but also looked after all the equipment for the entire association. Mr. Nesbitt was a tireless worker at the many tournaments that were staged this past year.

Mr. Warburton also thanked the two Minden

Clubs, Kinsmen and Rotary for the great jobs they did in running the Tim Harrison Memorial Midget tournament and the Pee-wee tournament this past season. Both of these tournaments were very exciting and hard fought by all teams.

The coaches and managers then handed out trophies and crests to each and every player in the MMHA.

During the meeting portion of the banquet, the entire 1978-79 executive resigned and there will be an entirely new minor hockey governing body for the 1979-80 season led by President Robert Wells. His executive will be comprised of Secretary Shirley Howe, Treasurer, Lois Davies and Directors, Stephanie Wells, Ross Ballantyne, Kelvin Boyle, Beulah Stribbling, Neil Burk, Gary Warburton, Mervin Barry and Joe Shapiera.

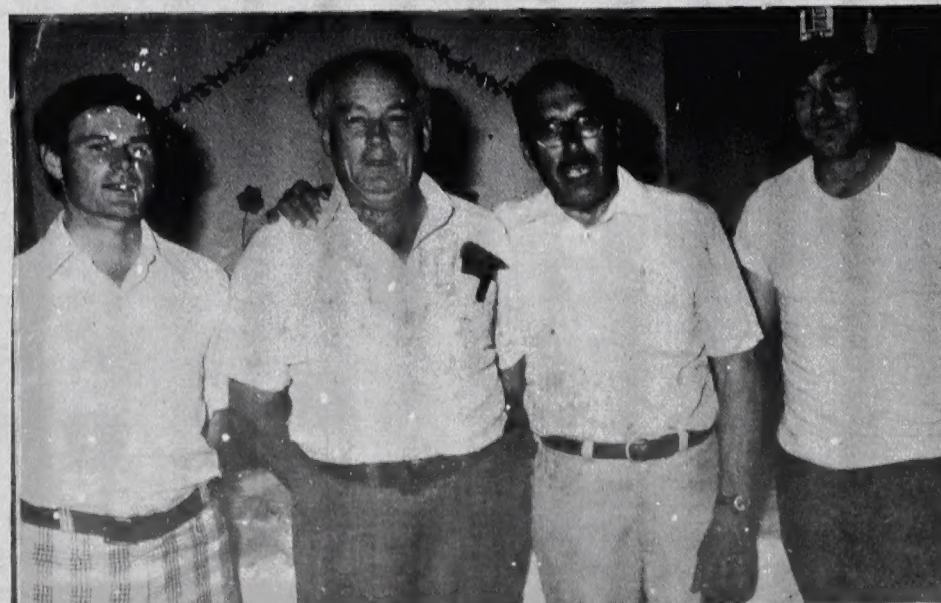

League and play-off champions Peterborough Lumber

The league and play-off champions for 1978-79 in the Men's Commercial league at Carnarvon Lanes are Peterborough Lumber. Left to right, Albert Cox, Bob Robinson, Harris Steele, Doug Robinson, Fred Cox, Jimmy Wilson and Cliff Burke.

Consolation play-off champions Ingoldsby

This year's Consolation champions of the Men's Commercial league playoffs, went to Ingoldsby. Left to right, Gord Darby, Bob Heppleston, Reg Burk, Eric Burk, Frank Dunsford and Don Hicks.

Men's commercial new executive

The new executive for the Men's Commercial league, elected at the Awards Banquet on Friday evening at Club 35 are, l-r, Grenville Barry, vice-president, Gord Darby, president, Frank Dunsford, treasurer and Harris Steele, secretary.

Don Burch, Ronnie Robinson win top awards

At the Men's Commercial league's annual banquet on Friday evening, Ronnie Robinson Jr. walked off with two of the three major awards for the year, high average of 247 and high triple of 935 (lower photo) and Don Burch picked up the high single of 369. Both men are being presented with their awards by President Gord Darby.

Manners

Establish credit for future needs

On Sports

BY JOHN DALTON

You'll never have trouble spotting Clarence Stewart.

The two-year-old is the only white thoroughbred colt registered in the United States by the Jockey Club.

Owned by Dr. Leon D. Star of Montauk, N.Y., Clarence Stewart — named for his black trainer — is being conditioned at Belmont Park to begin racing.

"You have to see my colt to believe him," says Star. "He looks either like something from Mars — or a bottle of milk."

A pure white thoroughbred is a rarity. There are only two fillies in the United States registered by the Jockey Club as white. Star believes that the only other white thoroughbred colt in the world is located in France.

A colt without a single dark marking, Clarence Stewart, who has blue eyes, was bred at the owner's Startop Ranch. The sire, Thomasville, is a brown horse, which looks coal black. The dam, Brimstar, is a chestnut.

Star, who is medical director at Kennedy International Airport, says the birth of his white colt was, of course, a major event.

"I still remember the night he was foaled," says Star. "The farm manager called me up at four in the morning and he was all shook up. First, he said he saw the white feet, then the white legs, then he was convinced he was delivering a ghost."

None of Clarence Stewart's brothers or sisters look even remotely like him. The colt is a full brother to homebred stakes winner Lorraine Star; and he is a half-brother to Brimming Over, another of Star's winners.

Experts from the Jockey Club, keeper of The American Stud Book, couldn't believe their eyes when they went out to take blood samples from the white colt before qualifying him as a bona fide thoroughbred.

Calling Clarence Stewart the best juvenile in his 45-horse stable, Star believes his big, strong colt might turn into a real winner.

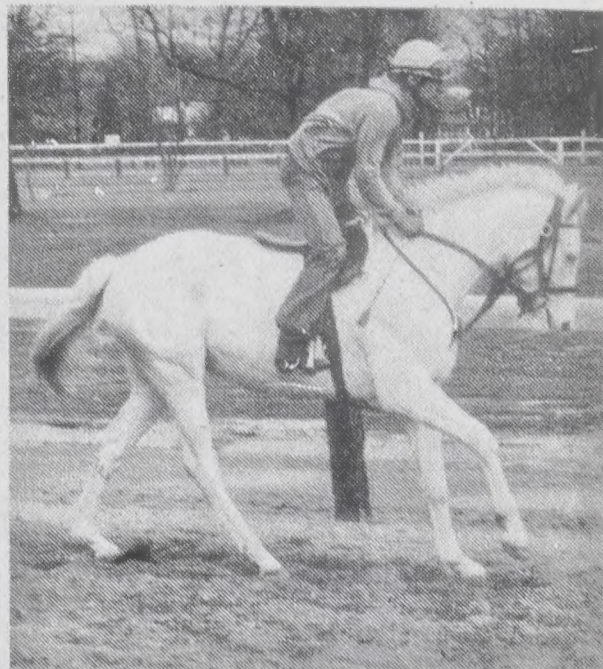

"We have to watch him

in the summer, though," notes Star. "He is so prone to sunburn that he gets blistered and as red as a lobster."

The colt's workouts on the training track at Belmont already have drawn curious stares. Exercise rider Joe Onorato is prepping the white newcomer alongside his more-typical counterparts — browns, bays, blacks and chestnuts.

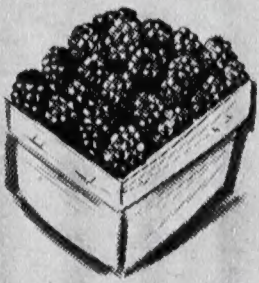

How does trainer Clarence Stewart feel about the whole thing?

Says Star: "He's been training horses for 30 years, and he was delighted to have the colt as his namesake."

CLARENCE STEWART, the only pure white thoroughbred colt registered in the United States by the Jockey Club, runs for exercise rider Joe Onorato. The two-year-old is being prepped at Belmont Park for his racing debut.

T.C. Bantams, Peewees, receive Consolation Trophies

The highlight of the evening at the Minden Minor Hockey banquet was the presentation by Tri County President, Gord Innes, of two Consolation Playoff Trophies to the Minden Peewees and Bantams. Above, the Minden Bantams, coached by Ted Pipe, won their round robin consolation playoff series over Woodville, Manvers, Ops, Innismore, Little Britain, Cannington and Sunderland. The team, David Stribbling (captain), Gene Steely, Larry Miscio, Lewie Reynolds, Brent (Moose) Anderson, Paul Silvers, Rick McGee, Brett Porter, Craig Coneybeare and Tracy Nesbitt. In the lower photo, Minden TC Peewees, led by coach Bill Dillon and manager Lawrence Anderson, ousted Cannington, Manvers, Millbrook, Keene and Haliburton to win their Consolation Championship. The team, Sean Allore (captain), Peter Allore, Paul Allore, Tom Prentice, Jack Prentice, Larry Anderson, Kevin Forbes, John Dillon, Darian Anderson, Mike Gorveatt, Jeff Howe, Danny Hayes and Paul Walker (missing).

ONTARIO HYDRO

Power Interruption

HALIBURTON VILLAGE

Wednesday, May 16, 1979
starting at 0900 hours

Alternate date will be Thursday, May 17, 1979

To accommodate the move of The Pioneer Museum from Park Street to Glebe Park will require interruption of power to Harmony Road, Bayshore Road and Hwy. 519 from Park Street to the Beaconbrook Hotel. Interruption of this section is expected to be four (4) to five (5) hours duration.

Harburn Road and Park Street areas will be interrupted one (1) to two (2) hours.

Brief interruption of five (5) to ten (10) minutes will affect Hwy. 519 Haliburton to Lochlin, the main street plus some side streets in the Village of Haliburton.

Ontario Hydro

Provisional County Of Haliburton Minutes

County Council of the Provisional County of Haliburton held their regular April meeting in the Library of the Leslie M. Frost Natural Resources Centre, on Wednesday, April 18, 1979, commencing at 10:00 a.m. with Warden Jim Harrison in the Chair and eighteen members present. Absent C. Noseworthy.

Resolution No. 42/79

Approval of Minutes: That minutes of the meeting of March 21st be approved as circulated. Carried.

Finance Report

Finance Chairman H. Bonnon reported inspection of accounts by the Finance Committee and recommendation for approval.

Resolution No. 43/79

Approval of Accounts: That accounts be approved as recommended by the Finance Committee in the amount of \$53,910.85, representing cheques numbered 143 to 207 inclusive. Carried.

Correspondence

Correspondence as requested by the Correspondence Committee was read by the Clerk.

Mrs. Ruth Gorrie, Chairman Library-Museum Committee: Appreciation of grant and will advise name of complex not to conflict with Haliburton Museum.

To Peterborough County recommending joint petition to M.T.C. for improvement of Highway 507.

From Peterborough County resolution passed by County endorsing request for improvement of Highway 507 from Village of Buckhorn to Gooderham.

To William C. Scott M.P.: acknowledgement of letter re D.R.E.I. efforts and contact with Mr. Graham, Senior Development Executive, Ontario Region.

Telephone conversation with Mr. David Graham: will

be pleased to attend County Council, with suggestions and recommendations re. economic development assistance, but as civil servant position unable to comment on political decisions to be expected.

Mention of request to Agriculture Canada for Rabies Clinics in Haliburton County this Spring.

From Hon. Claude F. Bennett, Minister of Housing: submitting balance of subsidy for study grant 1978.

Brigitte M. Scholz, Planner, Central Ontario Field Office, Ministry of Housing: replacing Brian Goodreid who was transferred to another location. (County Council recommended requesting Miss Scholz to attend the May of June meeting).

Mention of Economic Action Policy outlined by Industry and Tourism Minister Larry Grossman and published in recent issue of 'Background'.

From Ministry of Treasury and Economics: Payment schedule for 1979 unconditional grants. (50% General Support Grant received April 17th in advance for payment date of April 24th).

Haliburton Kawartha and Pine Ridge District Health Council: Recommendation of financial support for four counties detox-halfway house for male alcoholics. (County Council agreed that this matter should be referred to the Budget Committee for favourable consideration).

Mention of report from Haliburton County Anti-Pollution Committee re banning 245T and other dangerous chemicals.

Resolution from Committee of Management, Hyland Crest Senior Citizen's Home: recommending County Council support of objection to 49.30% increase in Blue Cross Drug Plan rates. (No action was taken and it was suggested that since increase is based on actual claims in relation to

contributions, it is possible there is some abuse of this benefit and this should be brought to the attention of employee claimants).

No additional letters were requested to be read from the list of correspondence circulated.

Resolution No. 44/79

Acceptance of Correspondence: That Correspondence be accepted as recommended by the Correspondence Committee and read. Carried.

Board of Education Budget 1979: Budget Committee Chairman M. Fearrey reported on a meeting of Director of Education D. Hodgson and Business Administrator J. Leworthy, with the Budget Committee for review of 1979 increases in the Education budget. The Committee was satisfied that effort has been made to exercise restraint wherever possible, and that loss of Provincial Grants was the principal cause of increase.

Resolution No. 45/79

Education Costs Study with similar adjacent municipalities: That the Budget Committee meet with representatives of the District of Muskoka and Hastings County to discuss mutual problems related to the spiraling costs of education which are being levied on Municipal taxpayers. Carried.

Chamber of Commerce Haliburton Highlands Chamber of Commerce representative Fred Baum reported on the recent printing of the new Lure Book and Building Trades Directory, copies of which were distributed to members of Council.

Committee Reports: Committee Reports were given by Hyland Crest Committee of Management Chairman R. Vick; Property Chairman M. Peters; County Roads Chairman M. Fearrey; Health Unit Representative K. Tallman; Children's Service Representative Major G. Lewis.

Children's Services: Major G. Lewis reported receiving adequate notification of Children's Services meetings and satisfactory discussions with the Committee executive.

Other Committees reported no meetings since the March meeting of County Council.

Errors and Omissions Insurance: A brief on Errors and Omissions Insurance was read by Clerk W. Lahav.

Resolution No. 46/79

E. and O. Insurance: That this County purchase Errors and Omissions Insurance through Frank Cowan Insurance with coverage and premium as quoted and the costs to be apportioned to the various committees covered. Registered Nay Votes: J. Francis, E. Stouffer. Carried.

Forest Management Presentation: Brian Cross, Forest Management Supervisor, with the Ministry of Natural Resources, Minden District, spoke to members of County Council about Forest Management, primarily with reference to the basics of biological potential rotation period and silviculture. This presentation was followed by a question and answer period.

Economic Development Commission: Warden J. Harrison mentioned that the

Minden Curling Club holds annual banquet at Community Centre

MINDEN - More than 200 curlers and guests of the Minden Curling Club, turned up at the Minden Community Centre on Saturday evening for the annual Curling Clubs Dinner and Awards banquet. After a very delicious dinner, Past President J.O. Jackson thanked his executive of the past year for all their work and then introduced the 1979-80 executive to the Club members. They are President, Jim Garbutt, 1st Vice-President, Don Blakey, 2nd Vice-President, Lois Titus, Treasurer, Brian Cross, Secretary, Marie Saunders, Directors, Jim Burton, Ron Reid, Alex Miller, Bob Austin, Gwen Cox, Clayton Hummell, Bev Miller, Penny Obee and Audry Saunders. The Award winners for 1978-79 are as follows, Wednesday Afternoon Ladies, Jane Graham, Lois Titus, Susan Francis and Kim Anderson. The Wednesday Afternoon Ladies received the Prentice Roads Trophy for their victory. Winning the Minden Curling Club Trophy, emblematic of the Monday Night Ladies Champions, were Jean Jackson, Betty Taylor, Lois Titus and Ev Richardson. The 1978-79 Men's Champions are Alec Miller, Cec Yearwood, John O'Toole and Ev Rudd. The top photo shows the 1978-79 Men's League Play-off champions, I-4, Director Bob Austin presents the winners trophy to skip Gerry McKelvey, Garth Kellett, G. Anderson and Paul Heffer. The Thursday Night Mixed league champions went to the Paul Prentice rink, presenting the trophy to the winning skip is Director Ron Reid. The rest of this fine rink is comprised of Patty Prentice, Kathy Short and Wayne Tascona. The Wednesday Night Mixed league and play-off winners are in the lower photo, being presented with the I.G.A. Trophy by David Dollo, left, are Catharine Kellett, Garth Kellett and Paul Heffer. (Missing is J. Ballard).

THANK YOU . . .

We, the management and staff of Carnarvon Building Supplies Ltd., would like to express our sincere "thanks" to all those people who joined us for our Grand Opening Sale and made it such a success.

Thank you again,

The paper truck mobile showroom

GELERT - On your travels around Haliburton County sometime during the past three weeks, you have probably spotted a funny looking van, covered with what appears to be wallpaper, and a sign reading 'The Paper Truck' on each side. Well, that is wallpaper you see on the truck and the truck belongs to Mrs. Caryl Douglas of Gelert.

Mrs. Douglas came upon the idea of starting her business, which is a 'mobile wallcovering showroom' a month or so ago when she spotted a woman coming out of a wallcovering store in Haliburton, carrying a stack of books and having considerable trouble getting her car door open. She thought, no that's ridiculous, why isn't there some way a person could phone and have those books brought to your residence without all that

trouble. So, Caryl decided she would go into the business. It wasn't that crazy an idea anyway, for her husband is in partnership in Toronto in 'Canada Paint & Wallcovering' so she could get all the books she needed to start her new venture.

So if you're in the market for new wallcovering, why not give Caryl a call at 286-2255. She has lines of wallcovering in every price range and from all over Europe, including England, Spain, Germany and France.

Caryl and her husband Bill, have been vacationing in the Gelert area for many years and have now built a home in there. Caryl lives in Gelert year round and Bill commutes on weekends. They have two children, Andrew 18 and Daniel six.

Minden Recreation Committee hold fifth meeting

MINDEN - The fifth meeting of the Minden Recreation Committee took place on Monday, May 7th at the Minden Firehall. Chairman Norm Harrison was in the chair and the following people were present; Vice-chairman, Lyle McKnight, Stuart Brandon, W. Everson and E. Burke.

A motion by W. Everson seconded by S. Brandon was carried, that this committee organize a meeting with the various municipalities to discuss in detail the operating costs involved in our Community Centre.

Mrs. Bruna Foran requested permission for a group of adults to use the Tennis Courts again this year for lessons. The Committee passed a motion agreeing with the request for 8 weeks on Wednesday evening beginning at 7:30 p.m. provided such use terminates by June 30th.

The right of first refusal for the 1980 season on the Community Centre ice surface was given George Elmes Productions, subject to the mutual satisfaction of both parties.

Mr. Ross Warburton attended to present the committee with a copy of the 1978/79 financial report. A motion was carried by the committee allowing Minden Minor Hockey a grant for 1978/79 based on \$10.00 per registered child payable upon evidence of receipts.

The committee reviewed the list of repair work, painting, etc., to be completed during the summer of 1979. A letter and pamphlet was received from the Liquor Licence Board of Ontario confirming that the Minden Recreation Committee had been allotted a number to be used when applying for a Special Occasion Permit. A verbal request was made relative to the Committee obtaining a Special Occasion Permit in conjunction with disco dancing. More details were

conjunction with disco dancing. More details were required before a decision could be made.

The secretary-treasurer was directed by the committee to distribute the advance tickets and arrange for the necessary advertising relative to the Martin & Downs Circus scheduled to be held June 7th, 1979.

Driver charged in aftermath of area crash

A 65-year old Gooderham man was charged with impaired driving after his car entered a ditch on highway 503 Sunday night and rolled over.

Charged is Gordon Yewman after the eastbound vehicle he was driving entered a ditch near Furnace Falls.

Damage to Yewman's car is estimated at \$1800 damage.

Three people escaped with minor injuries when the car in which they were riding entered a ditch on highway 121, and struck a culvert, Monday afternoon.

Charged with careless driving is Leonard Morris, 21, of Willowdale after the east-bound vehicle he was driving entered the north ditch, and struck a culvert. The car then crossed a private driveway and came to rest in the ditch. The passengers in the car, Anthony Leggate, 19, and Ingrid Smallwood, 40, both of Scarborough, were treated for minor injuries.

Damage to the car is estimated at \$1,000.

A Toronto man was charged with careless driving and improper licence plates, when the car in which he was driving entered a ditch on Horseshoe Lake Road Monday afternoon.

Charged is Daniel Schilbach, 23, after the south-bound vehicle he was driving failed to negotiate a turn into Horseshoe Lake Road, entering the east ditch.

There was no damage to Schilbach's car.

Legislation becomes law in Canada by receiving three "readings" in the House of Commons, being passed by the Senate and obtaining the assent of the Governor General.

The East Front of the U.S. Capitol building was entirely reconstructed in 1961.

Meeting at Leslie M. Frost
Natural Resources Centre:
Reeve S. G. Nesbitt explained
to members the basis of
holding the County Council
meeting at the Natural
Resources Centre, being on
the invitation of the Director,
George Hamilton, and the
desire to acquaint members of
Council with the value of this
asset in our Country which is
operating self sufficiently and
providing an important contri-
bution to preservation of the
environment and resources.

Adjournment: The regular
April meeting of the County
Council was adjourned at
12:00 noon, followed by an
instructional programme ar-
ranged with personnel of the
Frost Centre.

James Harrison - Warden

Winifred M. Lahay
Clerk-Treasurer

Red Cross Is There When It Hurts

"Red Cross Against All
Suffering" is the theme of
World Red Cross, Red
Crescent and Red Lion and
Sun Day 1979.

On this day we want to draw
your attention to the innum-
erable forms of suffering
existing in the world today
whether physical suffering
caused by loneliness, adver-
sity or exile.

As a result the Red Cross -
whose basic principle is to help
human beings in distress,
whatever their race, religion,
age or political allegiance -
finds its humanitarian task
growing daily. In the midst of
armed conflict and natural
disaster, in town and country
alike, Red Cross Is There
When It Hurts. The Red Cross
tries to help all those who
suffer and as far as possible
prevent their suffering.

The National Societies of
125 countries and the Interna-
tional Red Cross All Over The
World give Unconditional
Help - in emergencies, in the
midst of hostilities or in less
dramatic circumstances on a
day to day basis, out of the
limelight - a helping hand
extended to all those in need of
comfort, those ill-adjusted to
the community.

In this, the International
Year of the Child, 1979, we,
the members or friends of the
Red Cross, Red Crescent or
Red Lion and Sun particularly

OPP continue use of radar

Following the receipt of numerous inquiries at
OPP headquarters in Toronto from the media with
respect to the future of radar by the force, Assis-
tant Commissioner J. S. McKay of the Traffic Divi-
sion indicated that the ruling by the Judge in Dade
County, Florida, has no bearing on the use of radar
as it applies to the OPP.

The force is the greatest user of radar in the
province with the total number of 160 machines
which includes stationary and moving units. All of
the units are supplied by reputable manufacturers
who have to meet the forces specifications and test-
ing. They are superior to the type which is the sub-
ject of court proceedings in the state of Florida.

All officers operating radar receive a training
course from the firm who supply the units. The new
units purchased by the force incorporate electronic
signal analysis which eliminate ghost readings com-
pletely. It would appear that it is the ghost readings
that are causing the problem in Florida, such as the
alleged clocking of a tree at 138 KMH (86 mph).

If there is the slightest indication of a malfunc-
tion the radar units is taken out of service. Our
force has been using them since 1954 and they are
being upheld by the courts.

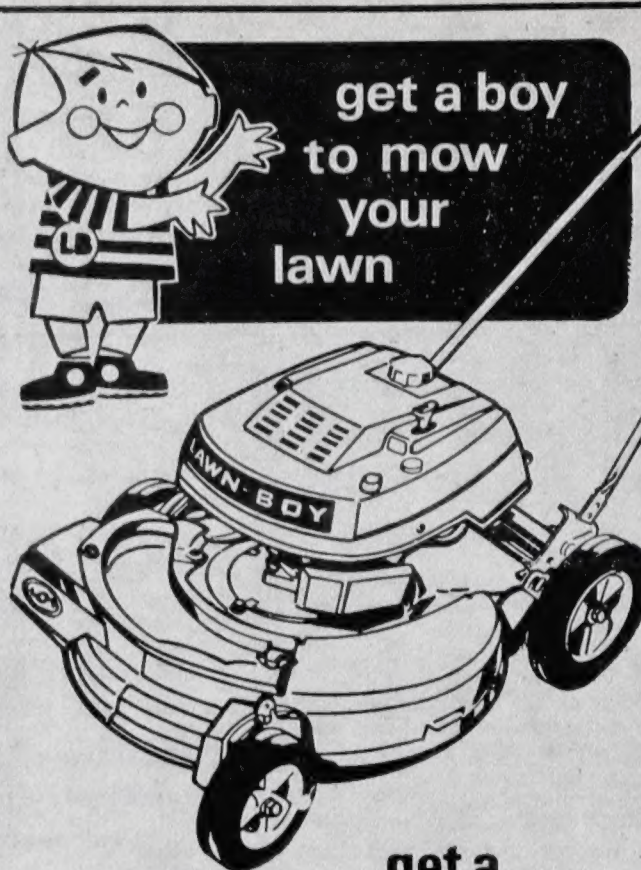

New executive for Haliburton District Lions Club

The Haliburton and District Lions Club held
their 50-50 draw at their meeting on April 26. The
winning ticket number was 3198 held by Mr. R.
Powell, RR 4, Orillia. The draw was for \$50.

The club held their elections recently for next
year beginning on July 1st. The new executive are:
president, Wim Magee; 1st vice, Ron Grant; secre-
tary, Dennis Sims; treasurer, Frank Dunsford; Lion
Tamer, Bill Barnes; Tail Twister, Tony Wimperis;
and directors, Bruce O'Brien, Les Smith and Hank
Van Nood.

want to associate ourselves
with the United Nations
objectives of special protection
for children; for children are
more vulnerable than other
people when they are afflicted
by hunger, suffering, rejection
and misfortune.

For World Red Cross Day,
then, we appeal to you to
support our efforts to combat
suffering. Humane and Im-
partial assistance for all those
who suffer should be a goal
shared by us all.
